

Sprint Plan Meeting 3

On 22 September we met the customer Mr Michael De Carvalho. Mr Michael said the main priority should be the app to look nice and enticing. He expects the users to be able to post pictures, videos and text messages. The customer expects the application to be able to:

- Post texts
- Receive messages
- Like pictures
- Comment pictures
- Count the number of followers
- Count the number of likes and comments

Good day

Hope you are doing well. Could we please have our sprint review on Thursday at 14h00.

Kind regards

Hey Khoabane,

Yea that's perfect!

Kind regards,

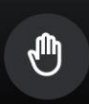

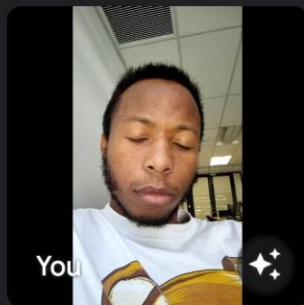

Michael

The image is a screenshot of a Google Meet interface. At the top, a browser tab shows the URL 'meet.google.com/zeq-xbwy-zot'. Below the browser tabs, a dark header bar indicates 'Gerald Mukumba is presenting'. The main content area is split into two parts. On the left, a large window displays a social media profile for 'karabol@gmail.com'. The profile shows 3 followers, 2 following, and a bio identifying 'karabo_sepuru' as a student at the University of the Witwatersrand. Below the bio are two posts: one featuring a soccer player in a white jersey and another showing a person in a red jacket. On the right, a grid of six video thumbnails shows participants: Michael De Carvalho (wearing a headset and a game overlay), Thato Senoamadi, Kagiso Mabaso (wearing a blue bucket hat), 'You' (wearing a black cap), and two other participants whose thumbnails are partially obscured. At the bottom of the screen, a dark control bar contains icons for microphone, video, chat, and other meeting functions. The system tray at the very bottom shows the time as 14:14 and the date as 2022/10/13.

Browser tabs: Inbox (3/9) - ramoraker17@gmail.com, Sprint Review - 2325436@student..., Wits Social, Online Whiteboard, Sign in to your account, Meet - zeq-xbwy-zot

Address bar: meet.google.com/zeq-xbwy-zot

Navigation bar: YouTube, Dashboard, Gmail, Dashboard, Homepage, Homepage, Homepage, Wits Student Careers, Home - StudySmart..., AWS Academy Clou..., Track Application J..., Accenture

Header: Michael De Carvalho is presenting

Main content area: Two side-by-side windows showing a sunset scene with two red circles overlaid. A notification banner at the bottom reads: "Google Desktop notifications for University of the Witwatersrand, Johannesburg Web".

Participant grid (5 participants):

- Michael De Car...
- Thato Sengoma...
- Kagiso Mabaso
- Gerald Mubona...
- You

In-call messages panel:

Let everyone send messages ☒

Messages can be seen only by people in the call and are deleted when the call ends

You 14:08
can every one activate their cameras

Send a message to everyone

Bottom bar: 14:10 | zeq-xbwy-zot, Turn on captions (c), icons for chat, share, and other controls.

System tray: Windows taskbar with various application icons, system clock showing 14:10 on 2022/10/13, and language set to ENG US.
